

## WHEN CLARITY IS MISSING, SO ARE OPPORTUNITIES.

Many talented professionals can “get by” in English but not thrive. Misunderstandings in meetings, lost confidence in presentations, or awkward client calls can quietly limit growth.

## BUSINESS ENGLISH THAT DRIVES PERFORMANCE.

A 16-week professional communication program for client-facing employees - designed for measurable results, minimal disruption, and maximum ROI.

### Practical, targeted English communication training For your team.

Our flagship ASCEND Program helps employees:

- ✓ Communicate clearly and confidently with clients and partners
- ✓ Lead meetings, presentations, and negotiations in English
- ✓ Represent your company with professionalism and impact

### Program structure:

- ✓ 24 one-to-one classes per participant
- ✓ 4 group sessions to consolidate learning
- ✓ Delivered online - just 2 hours per week
- ✓ Fully customised to each employee's role and objectives

### Optional Extras:

- ✓ Pronunciation coaching
- ✓ Public speaking coaching
- ✓ Negotiation and leadership training

**Duration:** 16 weeks

**Pricing:** \$6,750 (4 employees) or \$1,350 (individual)

## REAL RESULTS. REAL PROGRESS. REAL CONFIDENCE.

Our clients consistently report measurable communication gains within just 4 weeks

- ▶ Noticeable improvement in clarity and confidence within the first month
- ▶ Better-structured client meetings and presentations
- ▶ Stronger relationships with global partners and customers
- ▶ Positive change visible across leadership, sales, and technical teams

'the change is noticeable. The team is more confident while speaking, writing emails, or presenting.'

— **Abdulkareem Al-Yami, Managing Director, Gas M.E.**

For those working in global environments, these skills can make a huge difference, and Benjamin and his team have my highest recommendation.

— **Lenilton Jordão, Senior HR Director, Gemcorp ICS**

## Ready to see what's possible?

Book a **Free Communication Review** for up to 12 employees.

We'll assess spoken and written English, highlight key development areas, and share a short report showing where clarity and confidence could be improved.
